Cocoa, FL 32922-5703

We are looking for
Volunteers
 for the
SunDay Challenge® Rally

We invite you to become a volunteer for the **SunDay Challenge** to be held in Florida. The **SunDay Challenge**, sponsored by the Florida Solar Energy Center, is an alternate-energy vehicle rally – a fun, exciting, and rewarding event.

Up to 75 alternate-energy vehicles will compete. The **SunDay Challenge** will receive national television, radio, and press coverage. The rally will start at Florida Solar Energy Center's new building in cocoa on the Brevard Community College/University of Central Florida campus and finish at Florida Institute of Technology, Melbourne FL.

Join us and take part in the behind the scenes activities and learn more about these fascinating vehicles. We are looking for people with a variety of skills who are willing to volunteer for a few hours or a few days. If you would like to help, please check your areas of interest and expertise from the following list. If you have any special skills or ideas that are not included in the list, please add a brief statement under *additional comments, etc.*, in the column on the right (see *Public Relations*).

For more information, call (321) 638-1443 or write:
